Transfer Permission

Children participating in the Buehler YMCA Childcare are very active throughout our building and on our grounds. I hereby give permission for the child care staff to transfer my child _____ to on-site, out of room activities such as: the playground, nature walks in the field, the mat room, the gyms or other fitness rooms.

If my child also takes a lesson or program in addition to their childcare program, I give permission for the child care staff to transfer my child from the childcare program to their class. These classes may include: swimming lessons, fitness classes, enrichment classes, gymnastic classes, or sports classes.

Pest Management Plan

As per DCFS standards we need to provide you a summary of our pest management plan.

Each month Orkin comes in to the facility to inspect for any infestation of pests. If any pests are found they will use the appropriate means to take care of the infestation. This may mean application of pesticides. If application of pesticides is needed, this happens after hours when the children are not in the building. You will be getting written notice of any pesticide application at least 2 days before application.

Please sign below indicating that you have been informed of our pest management plan. If you have any questions please feel free to contact me.
