2025 SUMMER CAMP
SAFE N' SOUND YMCA

That's The Power of Play.

Dear Parents/Guardians:

Welcome to Summer Camp 2025 with Safe N' Sound YMCA! Thank you for enrolling in the upcoming camp season at the Y. We're excited to have your family join our extended Y family, and hope your camper(s) enjoys the program as much as we enjoy running it!

Attached is the 2025 Summer Camp Handbook. Please make sure to read through this handbook as it provides relevant information for the summer camp programs.

All paperwork included in the **Participant Emergency Information Packet is mandatory and must be submitted before your camper's first day at camp**. Please be sure to write legibly when filling out the packet, as this information is vital to your camper's registration. If we cannot read the e-mail address, we cannot communicate effectively.

If you have any questions, comments, or suggestions about our summer camp programs, please contact us or one of our leadership staff directly. We look forward to providing your child with a safe and fun summer!

ACA ACCREDITED

American Camp Association (ACA) is an organization with members in all 50 states that accredits all types of organized camps. Camps are accredited based on the administration, policies, and camp operation—particularly those related to program practices and quality along with health and safety of campers and staff. The standards establish guidelines for needed policies, procedures, and practices. Our Day Camp staff is committed to providing a camp program that meets the highest standards established for the camping industry.

YMCA DAY CAMP PHILOSOPHY & GOALS

CHARACTER DEVELOPMENT

Character Development is challenging people to accept and demonstrate the Y's four core values—caring, honesty, respect, and responsibility. It is the foundation for the development of the important character traits that will remain with a child for their entire life. The Y camp mission statement puts it best: The Y provides trained leadership and the resources of the natural surroundings to help each camper achieve his/her fullest potential in terms of mental development, physical well-being, social growth, and spiritual awareness. Challenging people to accept and demonstrate positive values is more effective than treating problems because it deals with the roots and not just the results.

Y Day Camp is important to a child's development because...

- Campers grow personally. They are given the chance to experience new things and interact with other children on a daily basis.
- Campers learn new things. Whether it's playing a new game, practicing an existing skill, or developing their social skills, children leave our camp having learned something they can remember for a lifetime.
- Campers learn to appreciate diversity in each other. We live in a multicultural community and our camp reflects this. Children learn that each person is unique. They have fun and respect each other regardless of race, religion, gender, or social status.
- Campers learn lifetime values. From the simplest of values and attitudes like sharing, sportsmanship, and giving respect to others, comes our basis for making more complex value decisions as they mature.
- Campers have fun! Without fun, the above reasons for children to attend our camp become harder to accomplish. Games, stories, hikes, field trips, swimming, sports, and crafts are all done with the children as the primary focus.

During our camps we will also emphasize the development of asset values. We will provide activities that introduce the eight major types of assets: support, empowerment, boundaries and expectations, constructive use of time, commitment to learning, positive values, social competencies, and positive identity.

By planning activities that highlight the values and assets mentioned above, we will help children focus their thinking and priorities. In doing so, you can contribute in significant ways to help them succeed, both now and in the future.

BEFORE & AFTER CARE

Extended care is available for children enrolled in our full-day, traditional school age camps. Campers can arrive as early as 7 a.m. and stay as late as 6 p.m. for no additional charge.

During Before & After Care the camper will have a variety of activities to choose from and will be supervised by Y staff. Activities will include board games, art and crafts, group games and an outside play area.

CAMP PICK UP & DROP OFF PROCEDURES

At drop-off we will have staff stationed outside parents/guardians to sign their camper in. Parents/guardians are required to sign their children in and out of camp. Structured Camp activities are from 9 a.m. – 4 p.m., but you can drop off as early as 7 a.m. and pick up by 6 p.m.

Camp Aurora

Camp sign in and out is located outside door #2. You will be asked to sign your camper in when you drop off in the morning. We ask that all parents/ guardians walk their camper to the sign in table each day. In the afternoon, pick up will be in the same location as morning drop off. You will sign your camper out upon arrival.

Summer Adventure

We offer a curbside drop off in the morning where you can stay in your vehicle, and we will greet you and sign your camper in. In the afternoon, we ask you to park your car and come into the VFW to sign your camper out of camp.

Sign In/Sign Out Procedures

The YMCA takes responsibility for your child once he or she is signed in for the morning session or arrives at our camp program. YMCA operates the following procedure:

- Sign in/out with our Camp Staff. **Legible signatures along with the in/out time are required** each time your child is dropped off or picked up from the program.
- Only those authorized (18 years and older), in writing by parents/guardians will be allowed to pick-up your child.
- At sign-out, a photo ID will be required from all authorized adults unknown to staff. All authorized adults picking up children in the day camp program who are known to and verified by staff may sign-out children without producing an ID. However, all authorized adults must be prepared to show a photo ID if it is requested by staff. **(We ask that you bring your ID every day, just in case our staff haven't had the opportunity to meet you).**
- Your child will not be released to another adult without prior written consent.
- The YMCA is obligated to withhold the release of any child if the authorized pick-up is intoxicated or under the influence. In this case, the YMCA reserves the right to notify relevant authorities.

If your child is not signed-in, we assume they will not be in attendance that day and are safely with a parent or guardian. **All campers must be signed in each day by their parent/guardian.** Campers are not allowed to sign themselves in.

CUSTODY & PARENTING TIME ARRANGEMENTS

The obligation of Y staff is to ensure a safe and fun environment for your child. We understand that participants come from a variety of different family structures and situations and may result in various custodial arrangements. The Y does not make rules regarding or alter custody and/or parenting time agreements issued by an applicable Court of Law. The Y does not act as a mediation to these circumstances.

In the event that a court order is in place, the adult registering the participant (“Enrolling Adult”) will designate who is authorized to pick up and drop off the participant via the Participant Emergency Packet. Enrolling adult(s) must provide a copy of any court-issued documents regarding the restriction of release of participants in our care. Adults are responsible for resolving any issues that may arise from the participant’s enrollment in our programs. For consistency, any requests for program information must be included in a court **order or subpoena.**

LATE PICK-UP POLICY

Due to our accreditation and because our staff have family and personal responsibilities after work, our program ends firmly at 6:00 p.m. After 6:00 p.m. late fees will be assessed as follows:

- 6:00-6:10 p.m. \$10 late fee per child
- 6:11-6:20 p.m. \$20 late fee per child
- 6:21-6:30 p.m. \$30 late fee per child
- 6:31-6:40 p.m. \$40 late fee per child
- After 6:40 p.m., with late fees continuing to occur in 10 minute increments, if unable to contact any responsible guardian, staff will contact emergency services.

The late fee charges are required to be paid before your child’s next day of camp.

STAFF

Our camp staff is selected based on responsibility, ability to relate to children, and sensitivity to each child's individual needs.

Our staff receives 40+ hours of training before your camper's summer begins as well as throughout the summer led by the Y Directors and Managers. Training includes but is not limited to CPR/AED, First Aid, Child Abuse Prevention, emergency procedures/risk management, behavior management, discipline policy, character development, program curriculum, lesson planning, pool procedures, field trip procedures, transportation, customer service, and parent communication. All staff are trained mandated reporters.

Our professionally trained and enthusiastic staff is the key ingredient to a positive camping experience here at YMCA Safe 'n Sound.

Please note: Y camp staff is not permitted to babysit for families involved in our Y programs while they are employees of the YMCA.

CAMPER TO STAFF RATIOS

Children are grouped in units based on what grade they are entering in the fall.

Groups and Ratios:

Campers will be split into the following groups throughout the day.

- Group 1 = 6 & 7 Year Olds
- Group 2 = 7 & 8 Year Olds
- Group 3 = 8 to 10 Year Olds
- Group 4= 10 to 12 Year Olds

Total enrollment will inform how the groups will be developed.

We follow camper to staff ratios based on the standards of the ACA, which are as follows:

| Age (years) | Counselors to Campers |
|-------------|-----------------------|
| 4-5 | 1:6 |
| 6-8 | 1:8 |
| 9-16 | 1:10 |

HEALTH

HEALTH CHECK

Your camper's health status will be checked informally each day. If there are any sign of illness, rash, high temperature, diarrhea, infection, or any contagious disease, etc. the parent enrolling adult or an authorized person will be called and required to pick up the camper within one hour.

If a camper has head lice, their hair needs to be shampooed according to the directions given by a licensed medical professional. Staff will inspect the camper's head before they are allowed to return to the program. If any nits appear, the camper must be picked up immediately.

ILLNESS

Parents will be notified if their child has not been feeling well for a continued period of time. The Y is not licensed to provide care for sick children. Therefore, parents or emergency contacts must come as soon as possible. Any child absent from the program due to a serious or contagious illness must notify the Y and have a doctor's note to return.

CHRONIC HEALTH CONDITION

Any chronic health condition must be documented by a licensed medical professional on the Participant Emergency Information Packet. You will also need to meet with a camp leadership staff to review necessary information.

ALLERGIES

It is your responsibility to let us know on the Participant Emergency Information Packet if your child has any allergies along with your child's possible reaction should they come in contact with the allergen. (See medication section for more information).

MEDICATIONS

If medication must be taken during camp hours, you will need to indicate that on the **Participant Emergency Information Packet** and complete the **Permission to Dispense Medication form** and/or **Severe Allergy and Anaphylaxis Plan**.

- **Inhalers & Epi-Pens:** These must be given to camp leadership staff to be kept with the camp staff; **any inhaler or Epi-Pen must be in the original container that has the doctor's prescription on it.** If the prescription label is not on the device/inhaler/etc., a note from the prescribing healthcare provider with the patient's name, dosage and instructions for use is required.
- **Storage:** All medications are stored under lock or in a secure area away from children.
- **Dispensing:** Only medications (prescription or over the counter) that are in their original container and are accompanied with specific written directions from a licensed medical professional are dispensed to children by authorized camp staff.
- **Medication Log:** The Y uses a log for all medication dispensed.

ACCIDENTS/INJURIES

For minor injuries, such as cuts, scrapes, bruises, and bug bites, staff will assist and oversee the camper while cleaning the affected area with soap and water immediately and then will cover with a bandage. If needed, an ice pack will be applied to the affected area. All minor injuries will be communicated to parents during camper pick up.

For serious injuries, or any incident where there may be cause to question the severity of the injury (such as a bump on the head), the staff will contact camp leadership staff immediately. The camp leadership will contact the parents/guardians and, if deemed necessary, notify emergency responders.

BEHAVIOR POLICIES

In our programs, our top priority is to provide a safe and enriching experience for all participants. Each child is expected to help foster a safe environment physically, emotionally, and psychologically.

PARTICIPANT EXPECTATIONS

Participants are expected to:

- Stay with their supervised group for the duration of program
- Adhere to staff instructions
- Keep their hands, bodies, and belongings to themselves
- Use appropriate language (inclusive, caring, developmentally appropriate, etc.)
- Respect program and participants' equipment and belongings

If additional accommodation is needed, be sure to include an accommodation request at the time of registration and during submission of paperwork. Our goal is to work together with both the participant and family to address and accommodate any behavior concerns; however, if a child cannot uphold these expectations, then program staff will evaluate appropriate next steps.

BEHAVIOR SUPPORT PROCESS

If a participant repeatedly exhibits behavior that does not meet the program expectations, the following tactics may be used to support the participant involved and address behaviors:

- A behavior report will be completed and reviewed with parent/guardian.
- A parent/guardian will be asked to partner with YMCA staff to identify strategies for support.
- YMCA staff will monitor behavior closely and provide regular feedback to the participant and their parent/guardian.
- A preauthorized person may be required to pick up participant early from programming.
- The strategies for support may be updated or amended.
- Programming may be immediately paused for the participant.

If the support strategies are not fostering improvement AND the participant's behavior is impacting the physical, emotional, and psychological safety of themselves, Y staff or other participants the participant may be dismissed from the program for the remainder of the session.

Please note that some behaviors—such as any actions that pose a direct threat by impacting physical/emotional/psychological safety—can result in IMMEDIATE SUSPENSION/EXPULSION.

***No refunds or credits will be given if a child is terminated from the program or picked up early due to unacceptable behavior.**

ADULT CODE OF CONDUCT

The Y requires adults of enrolled participants to act in a manner consistent with the Y values of caring, honesty, respect, and responsibility.

The Y's goal is to provide the most appropriate environment in which youth can grow, learn, and develop. Achieving this ideal environment is not only the responsibility of the staff, but also the responsibility of each and every adult involved in the program. Adults are required to act in a manner that fosters this environment.

Swearing/cursing: No adult is permitted to curse or use inappropriate language in a Y program, whether in the presence of participants or not. This includes phone conversations and written communication with staff. Such language is considered offensive and will not be tolerated.

Threats: Threats of any kind towards staff, participants, or other adults will not be tolerated.

Disruptive and Disrespectful Interactions: While it is understood that parents will not always agree with the staff or the adults of other participants, it is expected that all disagreements be handled in a calm and respectful manner. Disruptive and disrespectful interactions are not an appropriate means by which to communicate and are prohibited.

Addressing Program Participants: Adults are prohibited from addressing, for the purpose of correction or discipline, a participant that is not in their care while in program. No adult may physically or verbally punish another participant. If an adult should witness another participant behaving in an inappropriate manner or is concerned about behavior reported to them by their own child, this should be directed to leadership staff.

Confidentiality: It is unsuitable for a participant's adult to seek out another participant's adult to discuss inappropriate behavior of any participant. All behavior concerns should be brought to program leadership. The staff will address all behavior concerns in accordance with the Y's behavior management model. Although you may be curious about the outcome, staff are prohibited from discussing anything about another participant with you.

Safety: Adults are required to act safely at all times. Please refer to the facility agreement outlined in the Participant Emergency Information Packet. Any adult acting unsafely on Y premises will be asked to leave.

Adults who violate the code of conduct may be asked not to return to the program. Participants can be removed from the program based on inappropriate behavior of their adult in the Y environment, at the discretion of the Camp Director and/or the Vice President of Out of School Time and Camp.

DAILY CAMP INFORMATION

ABSENCES

If your child is going to be absent, you do NOT need to report their absence. Refunds will not be given for missed camp days unless there is a serious illness and a doctor's note is provided (with the approval of the Youth Development Director).

CAMPER DRESS

Please write the camper's name on articles that are brought/worn to camp. Socks and gym shoes are required. **No sandals, flip-flops or open-toed shoes are allowed.** All campers need to dress for the weather. On cool days, sweatshirts or jackets may be necessary. On hot days, shorts and light-colored clothing are appropriate. Please have your camper wear clothes that can get dirty – this is Summer Camp after all!

Clothing of campers should not be inappropriate in any way. Inappropriate dress includes and is not limited to the following: shorts shorter than fingertip length, clothing promoting alcohol, drugs, tobacco products or are gang related, t-shirts that are sexually aggressive or explicit, clothing that does not appropriately cover the body (midriffs are not allowed to show). Disciplinary action may be taken including but not limited to the child changing or the parent/guardian being called to pick up the child.

CELL PHONES

Cell phones may NOT be brought to camp. Any campers seen with cell phones will have them confiscated and returned to parents/guardians. If you need to contact your camper, you may call the youth development office phone number at 630-585-2207, and we will relay a message to your camper.

LUNCH & SNACKS

Please send a sack lunch with your child every day. You may also send a morning and/or afternoon snack with them (we do not provide snacks at camp). If you do not provide lunch for your child, you will be called and asked to bring one. There is no refrigeration available; we suggest packing an ice pack for your child's lunch. **It is very important that you send your child to camp with a refillable water bottle.** They will be engaging in high levels of activity throughout the day. All children and staff must wash their hands before lunch, snacks or handling food.

SCHEDULES

Camp staff write weekly lesson plans prior to the sessions. Activities may vary from day to day including but not limited to: sports, character development, arts and crafts, games, skits, songs, teambuilding, swimming and more.

FIELD TRIPS

This summer we may include a combination of both on-site and off-site Field Trips at our camp locations. Campers need a sack lunch and a drink with containers that can be thrown away. All campers need to wear their camp T-shirt on field trip days. Field trips are subject to change due to weather and other unforeseeable circumstances. Refunds and/or session changes are not given based on field trip changes. Campers who are transported for offsite field trips and special events must follow the written rules for their safety and the safety of all involved.

SUNSCREEN

Please apply sunscreen to your camper(s) before sending them to camp. We also suggest that you send sunscreen to camp with your child. Your child will have frequent opportunities to apply sunscreen throughout the day. Safe 'n Sound Y camp staff will do our best to assist your child while they apply it to their skin. Spray sunscreen is recommended.

Hats/visors are always recommended for camp.

SWIMMING

We will be swimming once or twice a week at our local/community pools.

Children participating in our camp programs will enjoy and participate in recreational swimming. Campers in Groups 1 and 2 will be required to wear a life jacket and will not be swim tested. Campers in groups 3 and 4 will have to take and pass the swim test in order to be able to swim in the deep end without a life jacket. Campers that pass the test will also be allowed to utilize slides and lazy rivers at the water parks that we attend. All life jackets are U.S. Coast Guard approved.

Swimsuits: Males are required to wear swim shorts with lining (speedo suits are not allowed). Females are required to wear a one-piece bathing suit or a two-piece suit that does not show the midriff. If inappropriate swimwear is worn at camp the child will: not swim, be asked to change or a parent/guardian may be called to pick up the child from camp or bring a change of clothes.

THE ABC'S OF CAMP

BABYSITTING

YMCA camp staff are not permitted to babysit for families involved in our YMCA programs while they are employees of the YMCA.

BULLYING

Bullying is a form of youth violence and an adverse childhood experience (ACE). CDC defines bullying as any unwanted aggressive behavior(s) by another youth or group of youths, who are not siblings or current dating partners, that involves an observed or perceived power imbalance, and is repeated multiple times or is highly likely to be repeated. Bullying may inflict harm or distress on the targeted youth including physical, psychological, social, or educational harm.

Common types of bullying include: Physical such as hitting, kicking, and tripping; Verbal including name-calling and teasing; Relational/social such as spreading rumors and leaving out of the group; Damage to property of the victim

Bullying can also occur through technology, which is called electronic bullying or cyberbullying. A young person can be a perpetrator, a victim, or both (also known as "bully/victim").

At YMCA Safe 'n Sound, bullying is inexcusable, and we have a firm policy against all types of bullying. Each child is expected to treat all other children with respect and to help each other achieve the best possible experience. If a camper has difficulty meeting this expectation, parents may be called upon to assist. We work together as a team to ensure that children gain self-confidence, make new friends, and go home with great camp memories!

Unfortunately, people who are bullied may not have the same potential to get the most out of their camp experience. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication with staff and their groups so both children and staff will be comfortable alerting us to any problems during their camp experience. We can't manage an incident if we don't know about it. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all children and staff have a great summer at the Y.

DANGEROUS WEAPONS

Campers who bring any item to camp designed to cause bodily harm or any item that is deemed potentially harmful will have it confiscated, and the parents/guardians will be notified. Bringing such items to camp may result in children being sent home and/or suspended from camp. All types of dangerous items (including knives) must be kept off camp property. Items confiscated will only be returned upon request from the parents/guardians.

EMERGENCY & WEATHER PLANS

Our program has emergency/response plans in place to include evacuation, shelter in place, lock-out and lock-down. Staff are trained in these plans, and we do conduct periodic drills.

If necessary, the children will be brought inside of the Y where the campers will continue with activities. Whenever camps are off-site, there are pre-designated safety shelters.

FIGHTING

The Y does not tolerate campers who harm other campers or counselors. This includes and is not limited to degrading, demeaning, threatening, or physically harming another child or staff person. Any child or group of children found to be harassing, making fun of or intimidating other children will be subject to disciplinary actions including being sent home or suspended from camp.

GANGS

Children will refrain from any gang related activity while at camp including:

- Wearing, possessing, using, distributing, displaying or selling any evidence of membership or affiliation in a gang.
- Committing any act or omission, using any verbal or non-verbal speech (gestures, handshakes, drawing pictures, etc.).

INCLUSION/DIVERSITY – AMERICANS WITH DISABILITIES ACT COMPLIANCE

In accordance with the Americans with Disabilities Act, The YMCA of Metropolitan Chicago does not discriminate against persons with disabilities.

If your child has an IEP or a 504 plan during the school year, you may choose to be connected with our Inclusion Department. Doing so creates a partnership to determine and plan for support in order to promote the most successful summer experience for your camper. The Inclusion Department can be reached at inclusion@ymcachicago.org.

INSURANCE

YMCA Safe 'n Sound does not provide accident insurance for your child. Insurance and payment of treatment is the responsibility of the parent/guardian.

NEWSLETTERS AND COMMUNICATION

All camp communication and announcements will be sent out via the *REMIND app*. You can also message camp leadership through the app. It is each family's responsibility to sign up for the app.

Our class code for the REMIND app for Camp Aurora is: @cacamp25

Our class code for the REMIND app for Summer Adventure is: @sacamp25

If you need to reach camp staff immediately, please call our customer service team at 630-585-2207.

OBSCENITY

Obscene, profane, or vulgar language that is written, oral or expressed by symbols will not be tolerated. Being respectful of children and staff is expected. A violation of this policy will result in disciplinary action.

PARENT VISITS

The Y has an open-door policy for the parents/guardians of all campers. Parents are invited to visit camp at any time and do not need to ask permission to do so but must not interfere with or disrupt the ongoing activities. Also, please introduce yourself to our staff and let them know you are visiting.

PERSONAL CARE SERVICES (such as toileting, feeding, and dressing)

Y staff will provide reminders, verbal and visual cues, and minimal assistance with clothing management.

PHOTOGRAPHY

Photographs and videos, which may include the children, are sometimes taken for use with the Y (social media, program brochures, flyers, newspaper articles about the center, etc.)

RELEASE OF PERSONAL INFORMATION POLICY

It is the policy of the Y to not release any information about our children or their families without a signed release form. All medical and personal forms and information on the children are the property of the Y and will remain on file after the child leaves the program.

SEARCH OF PERSONAL PROPERTY

Camp staff reserve the right to inspect a camper's property, with the aid of law enforcement officials, if the Camp staff deem the search is necessary to maintain the integrity of the Camp's environment or the protection of the group participants, staff, or other campers.

TRANSPORTATION

Transportation to off-site field trips either provided by approved bus vendors who provide safety compliance letters, or on buses driven by Y staff who have gone through a background check and thorough driver training.

Camp staff maintain staff to camper ratios when on buses and ensure safe behavior with campers when riding on buses. Campers are not permitted to stand, move about, or disrupt the bus environment to ensure the safety of all passengers and the driver.

BUS RULES

- All passengers must wear a securely fastened seat belt if available.
- Children must be seated and facing forward at all times.
- No food or drinks are to be consumed on the bus/van.
- Children must keep their hands and feet to themselves and inside the bus at all times.
- Destruction of seats or any other property on the bus is not allowed.
- No yelling, screaming, or distracting the bus driver.
- No throwing objects inside the bus, or out of the bus windows.
- Staff will be dispersed throughout the bus for maximum supervision

VANDALISM

Campers involved in vandalism or malicious mischief against camp property, other children or staff members will be disciplined accordingly. Payment to repair any damage accrued as a result of the vandalism is the responsibility of the camper's parent/guardian. Violation of this policy may result in the camper being suspended from camp.

VENDING MACHINES

Campers are not allowed to use the vending machines during camp hours.

YMCA'S COMMITMENT TO SAFETY

We're committed to an environment where open, honest communication is the expectation, not the exception. We count on our members, employees, and volunteers to let us know if they become aware of any criminal conduct or violations of our Code of Conduct by contacting camp leadership staff.

In situations where you would prefer to anonymously or confidentially make a report, you are encouraged to use this helpline, which is hosted by an outside provider, Ethics Point. Concerns about child safety, violations of policy, illegal activity, requests for guidance regarding policies, as well as positive suggestions and stories may be reported to the helpline in strict confidence.

Ethics Point Hotline: 855-249-5700. Learn more at ymcahicago.org/report

COMMUNITY COLLABORATIONS

DuPage Children's Museum:

This summer we are continuing our partnership with the DuPage Children's Museum. They provide STEAM curriculum and supplies for our campers. Campers of all ages will participate in these activities!

Inside Out Club

This club creates charitable experiences where children connect emotionally to a cause or organization and can relate that information to their own lives. This connection inspires them to get involved. These hands-on experiences make children more aware of issues others face in the community.

Library / Summer Reading Program

This summer we are again working with the Naperville Library to offer summer reading program incentives to our campers. Each week a representative from the library will come to our camps to read with the campers and give our prizes for the minutes they have logged for reading at camp and home each week.
