Frequently Asked Questions

Q: Can we have a fire in front of our cabin?
A: Guests are more than welcome to have a fire in front of their cabin. Camp has installed one permanent fire pit in front of each duplex. If there are two different groups staying in the duplex, one group will need to bring their own portable fire pits. GROUND FIRES ARE NOT PERMITTED. Guests must supply their own wood. Please contact the camp staff about ordering local wood. Do not bring wood from home. Any fire must be carefully attended to at all times.

Q: Can we sign up for Horseback Riding prior to our visit?
A: Horseback riding is signed up on a first-come, first-served basis and must be reserved in-person. We sign up rides chronologically—filling up the first spot on Saturday morning before we open up the next spot. We are unable to skip around to different times.

Q: How old do you have to be to ride a horse?
A: Guests of all ages can ride, however if the rider is under 7 years old he/she has to be accompanied by a non-paying adult walker. We are unable to have multiple riders on a single horse.

Q: What if it rains while we are out at camp?
A: Almost all of our activities can go on rain or shine. We can move Climbing indoors if the weather dictates and for Archer and Riflery, guests are actually under cover as they are shooting and only have to venture into the rain to retrieve their targets or arrows.

Q: Are the bathrooms attached to the cabin?
A: Yes. All of our cabins have the bathrooms and showers built-in.

Q: Do we need to create our own schedule or pre-schedule activities?
A: No. All of our staffed program areas are open from 9:00-11:45 and 1:00-5:00 on Saturdays and 9:00-12:00 on Sundays. During those times we will have Tecumseh staff at each area and guests can come and go to them as they please. Due to the large number of activities available, we actually recommend that you don’t plan other activities during these times.
