Overnight Adventure FAQ

Please read through this packet as it answers many frequently asked questions about arrival, sleeping arrangements, food, schedule of events, security and more.

**Arrival, Check-In and Departure**

**What time does the event start?**
Check-in for the overnight begins at 7:30PM. Guests that arrive early will not be able to wait inside the Center.

**Can I arrive late?**
Check-in is from 7:30PM – 7:40PM. If you will be arriving after 7:40PM, please call the Center’s emergency number at (914) 602-8878. Let them know you are a program participant and they will contact event staff so that you can be accommodated to the best of our ability.

**Is parking available for the event?**
For the overnight events, there are two free parking options available: The main parking lot directly in front of the Center or the free parking garage toward the south end of the Streets of Woodfield, across from the movie theater. Saturday nights tend to be busy at the Streets of Woodfield and close parking to the entrance may become hard to find, we request you drop guests off at the front entrance.

**Where do we enter and check-in for the event?**
Guests can drive into the crescent circle where there is 15 minute parking available. Here, they can unload any sleeping gear and enter through the main entrance. Check-in occurs at Admissions Desk. Please have your Child Release Form completed for each child in your family or group.

All group leaders are asked to send in a roster and signed child release forms for each child prior to their event. The roster includes the name of each guest and if they are an adult or a child, as well as e-mail contacts for the adults so we can provide important event information the week of the overnight program. The child release is an important document reviewing all the necessary permissions from family members.

**Can we leave before 8:30 a.m.?**
Guests are welcome to depart any time they need. All doors are locked and security systems are
alarmed. Any guest who leaves will not be able to re-enter the building unless they have permission from the event staff. Please inform event staff if you or a guest needs to leave the event and return at a later time.

**What food is served for dinner and breakfast?**

Dinner consists of pizza, soda and water. A hot breakfast will be served at 7am along with juice and coffee. *Items are subject to change and availability.*

**What can you do to accommodate a food allergy?**

We try our best to accommodate food allergies, but are not always able to do so. If you have concerns about any allergy during the event, please e-mail us at groupsalesch@legolanddiscoverycenter.com with a list of food allergies. We will do our best to accommodate your needs, but will contact you if there are any issues.

The LEGOLAND Discovery Center Café will be closed during the entirety of the event.

Sleeping Accommodations
Where do we sleep?
Guests will sleep in the first floor attractions, MINILAND Chicago and Jungle Expedition but may extend to other areas of the first floor. Sleeping is prohibited in the Retail Shop or in the Kingdom Quest ride. In order to ensure there is enough space for each group, we assign sleeping spaces based on the number of guests. We try our best to keep the groups separated by sex, but understand that this is not always possible. For example, if we can, we will assign all Cub Scout packs in one area and all Girl Scout troops in another area. Center staff will inspect sleeping bag arrangement and might ask you to adjust your gear in order to maintain state-required emergency exit corridors.
**Are electrical outlets accessible in the sleeping areas?**
Electrical outlets are limited in the sleeping areas. Please ask a staff member or volunteer for assistance.

**Can I bring my air mattress or tent?**
Air mattresses and tents are strictly forbidden during your overnight adventure due to fire safety hazards. Some good alternatives to air mattresses include inflatable pool mats, camping pads or yoga mats.

**Is it very dark after lights out?**
We do our best to turn off all unnecessary lights after lights-out. For safety, some lights will remain on for the duration of the night. If you require complete darkness to sleep comfortably, consider bringing an eye mask.

**Does the Center get cold at night?**
Because we are a large 2-story attraction, temperatures vary from one sleeping area to another. Dressing in layers will help ensure a comfortable sleeping temperature for you and your group.

**Can we use flashlights?**
Flashlights may be used by staff only for guest and Center safety reasons if necessary.

**Gift Stores & Purchases**
**Can I buy patches at the event?**
All purchases will need to be arranged and paid for a minimum of 7 days before the event by calling the groups sales office at (847) 592-9708.

**When can we shop in the LEGO store?**
The LEGO Retail Shop will be closed the evening of your event and will re-open in the morning for you at 8:30 a.m.

**Safety and Security**
**What are the supervision requirements for children? Can I leave my child unattended during the event?**
Children may not be left unattended during the event. We ask that one adult be present for every five children. For example, if you have 22 children in your group, you will need to have at least five adults
attend the event.

**What precautions are taken to ensure our safety?**
We view your safety as one of our top priorities. We have the Streets of Woodfield Public Safety Department available until 3:00 a.m. Event staff will also stay overnight. We will be available to assist you at any hour.

The overnight staff is trained in first-aid and CPR. The building is also equipped with fire alarms and extinguishers. We have evacuation plans in place should it become necessary to leave the Center for any reason. If you need help at any time during the event, please contact the nearest staff member and we will assist you.

**How many Center staffers will be present during the event?**
We utilize staff members stationed throughout the Center to help you enjoy your time during the event or address any issues that arise. We adjust our staffing levels as necessary.

**Where can I smoke cigarettes?**
In keeping with LEGOLAND Discovery Center’s intent to provide a safe and healthful work environment and in compliance with the Chicago Clean Indoor Air Ordinance of 2005, smoking in the building and within 15 feet of all public entrances is prohibited. Once all guests are inside the Center, the main entrance is securely locked until morning.

**Where will our gear be stored during the evening activities?**
When you arrive, a staff member will greet you and lead you to your sleeping space. Your group will drop off gear in your sleeping space and then proceed to the first hour activities. You will be able to set up your sleeping gear starting at 11:00 p.m.

**Can we stay at the Center for the next day?**
Unfortunately, all guests must exit the attraction Saturday and Sunday morning to allow for clean up and the opening of a new day.
