## Childcare Program Withdrawal Agreement

The Buehler YMCA requires a two-week notice period, or two weeks of payment in lieu of notice, if you take your child out of our program. This length of time is needed to guard against a loss of fees while a replacement is found and the necessary paperwork is completed.

I affirm that I will provide the Buehler YMCA with a two-week notice or two-week payment in lieu of notice before withdrawing my child from their childcare program.
