

YMCA Family Camp Nawakwa Pontoon Boat and Outboard Motor Rentals

Camp Nawakwa offers rental of a pontoon boat with a 50 horsepower (hp) motor and five 9.9 horsepower (hp) four stroke outboard motors. Please reserve your boat at time of registration or call the office at 715.588.7422.

Pontoon Boat:

The pontoon boat length is 20 feet, holds approximately 12-14 people, has a four stroke 50 hp engine, and canopy.

Outboard Motor Boats:

The boats are 14 feet and have a 9.9 hp four-stroke motor, which means there is no oil/gas mixture. Camp staff will keep the motors filled with oil and it is your responsibility to keep the gas full. The motor is an electric start, and there is a bilge pump to help drain the water out of the boat due to rain.

Rental Fees:
