## Private Swim Lessons

### How to get started:

- 1) Fill out a private swim lesson request form (online or at the membership desk) or contact Julia Gillmeister, the Aquatic Coordinator, and include the following information:
  - Swimming ability/comfort level in the water of whoever will be taking the lessons
  - Whether you are a member or non-member of the Y
  - Private/Semi-Private lessons (semi-private is 2 or 3 participants and the price reflects the entire lesson, including all participants)
  - Your availability for lessons
    - Private swim lessons are taught during open/family swim or at times specifically designated for private lessons on the pool schedule. Check the pool schedule and then determine which times would work best for you.
  - Your contact information, both a phone number and email.
  - Your teacher preference if you have one.
- 2) After receiving your communication regarding lessons, Julia Gillmeister, the Aquatic Coordinator, will contact you to confirm that we have received your request. She will then reach out to our instructors and pair you with an instructor that she feels will be a good fit. We will attempt to honor all teacher preferences, but cannot guarantee them.
- 3) You will be notified when an instructor has been assigned and the instructor will contact you within 48 hours of the assignment to schedule the first lesson. If it has been over 48 hours and you have not heard from your instructor, please reach out to the Aquatic Coordinator.
- 4) Upon hearing from your instructor, you will schedule the first lesson. Private lessons are purchased individually or in packs of 3, 5, 7 or 9 and do not go along with our program session schedule. They may be scheduled whenever you like and however often you like, as long as they are during the appropriate times in the pool schedule.
- 5) Pay for the lesson by phone, or at the membership desk prior to the first lesson and bring your receipt to the instructor.
- 6) All lessons will expire 3 months from purchase date.
