

StayClassy.org Peer-to-Peer Fundraising Pages

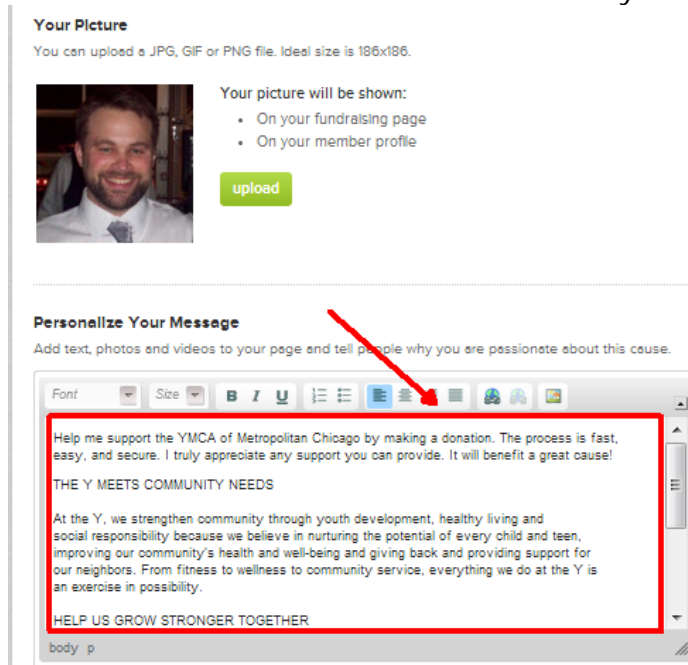

How to edit your personal fundraising page

1. Go to <http://www.stayclassy.org> and log in using your username (email) and password.
2. Click "Edit Your Page" as shown below:

a.

3. On the "Edit Your Page" screen, you can update your page title, fundraising goal, custom page URL, profile picture, personalized message and personal thank you email to donors.
 - a. To update the text that appears on your personal page, click into the text box as shown below and edit the text as necessary:

b.

4. Once you have completed all changes on the "Edit Your Page" screen, scroll down to the bottom and click the "Update Your Page" button.

- a.
- b. You may have to click the "Update Your Page" button twice. You will know that your changes have been saved when the screen refreshes and completely reloads. Your changes will then appear on your personal page.
