9:30																																																																																																																																	9:30
9:45																																																																																																																																	9:45

During Open Swim, every child under 11 must be accompanied in the water at all times by a person 16 years or older. If the child can pass the deep water swim test, then the child may be in the water on his/her own, with a parent on the pool deck. In order to swim in deep water all swimmers 12 and under must be swim tested and wear a wrist band to signify passing. Swimmers in lap lanes must swim consecutively.

Sage YMCA * 701 Manor Road, Crystal Lake, IL 60014 * 815.459.4455 * Fax 815.459.5101

Note: Schedule may change with no notice.
